PASTOR'S COMMENTS

Borrowed from Paul Turner

The Commandments of Justice

How does your church community help the poor? Do you have collections for the needy? Do you distribute food through a pantry? Do you help people find jobs? Do you offer training?

Does your church perform acts of justice that try to change the condition of the poor? Do you advocate for improved legislation? Do you call attention to the ways that the wealth of a few impairs the resources of the many? Do you educate people about the means of reducing poverty?

The Book of Exodus includes many of the laws that God asked the Israelites to observe. The most famous are the Ten Commandments. But in addition to them, hundreds of other commandments found their way into the legislative books of God's people. Some of them pertained to the poor: Do not frustrate travelers. Protect the widow and orphan. Do not take advantage of people needing loans. All these rules helped Israel live out the big picture of the Ten Commandments in the everyday situations that constitute the moral life.

The reduction of poverty will take many efforts. It will mean living every day being mindful of the needs of the poor, but it will also create structures that seek justice for the oppressed.

Jesus I Trust In You

“What prevents us from receiving more abundant
 graces from God may be quite simply our not being
 sufficiently grateful and not thanking Him for the
 graces He has already given us. There is no doubt
 that if we thank God with all our heart for each
 grace received, especially for the inspirations (of
 the Holy Spirit); He will grant us more.”
